I, Phyllis Manning do hereby voluntarily make the following statement without threat, coercion, offer of benefit or favor by any persons whomsoever.

I was at underwater viewing to take photos of our guests from the photo tour with a whale. I took a test shot of Tilly (only his body), and deleted it. Shortly after, the trainer who poses the whale yelled up to Dawn that she was ready. Then I saw Dawn facing towards Tilly, hanging on, her legs were dangling and when she fell off. Tilly was going very fast and I saw lots of bubbles. It all happened so fast, Tracy, Angie (Educators) and myself cleared the underwater viewing area and... One of the guests that was at DWG (dive with shark) asked if she was going to be O.K. cause she witnessed Dawn being pulled under by the hair.
